Dear members and collectors,

The contents of this bulletin aims at informing members of pending auctions, stamps issues and other calendar items relevant to our hobby.

As things go, there will be room for errors but I hope I can keep those to a minimum.

Invitation

Dear guests and readers of this bulletin,
You are invited to join our club as stamp collecting has provided many of us with deep insights into past and present cultures of countries we may or may never visit. As a guest you can find the behaviour of exited members a bit overwhelming. Do not be afraid to ask questions. If you do, please do not be overwhelmed with the answer as you usually get more than you asked for. Some of us have been collecting stamps for such a long time that we have forgotten what it feels like to be a beginner.

Join in and enjoy a pastime that need not be expensive. If you have inherited a stamp collection we will provide you with information (free of charge) about the value of that collection. Again, you may get comments you do not like (there is rust in the collection; not worth much but interesting enough to expand; etc.). We are human and we have our little errors. However, if you do not like the information received, by all means, get a second opinion.

Looking back and ahead

Sorry for missing last meeting. This month bulletin continues with the aerogramme listing.

Good luck and happy stamping

Uwe Krüger
President

 A press clipping details that this aerogramme was produced for the Olympic Organising Committee and sold to officials and athletes for 2d each.

OLYMPIC AEROGamme WAS PRIVATELY ISSUED

OLYMPIC athletes of all nations, resident in the Olympic Village during the Games, received a small quantity of the privately-produced aerogramme form, illustrated below, free of charge.

The Aerogramme was produced by the Olympic Organising Committee and further quantities were available to athletes and officials in the Olympic Village Canteens at 2d. each.

The form, which was produced with the approval of the Postmaster-General's Department, was attractively printed in bright red and blue. It is printed on white paper watermarked "ABERMILL BOND / MADE IN BRITAIN". The front of the form has a faint blue all-over stipple.

These forms are reported to have been popular with athletes and officials at the Village until November 12, when the official commemorative stamped aerogramme became available.
