Dear members and collectors,

The contents of this bulletin aims at informing members of pending auctions, stamps issues and other calendar items relevant to our hobby.

As things go, there will be room for errors but I hope I can keep those to a minimum.

2010 STAMP PROGRAMME

Great Britain

<http://www.royalmail.com/portal/rm>

Invitation

Dear guests and readers of this bulletin,
You are invited to join our club as stamp collecting has provided many of us with deep insights into past and present cultures of countries we may or may never visit. As a guest you can find the behaviour of exited members a bit overwhelming. Do not be afraid to ask questions. If you do, please do not be overwhelmed with the answer as you usually get more than you asked for. Some of us have been collecting stamps for such a long time that we have forgotten what it feels like to be a beginner.

Join in and enjoy a pastime that need not be expensive. If you have inherited a stamp collection we will provide you with information (free of charge) about the value of that collection. Again, you may get comments you do not like (there is rust in the collection; not worth much but interesting enough to expand; etc). We are human and we have our little errors. However, if you do not like the information received, by all means, get a second opinion.

Looking back and ahead

Hans took the opportunity to place our program at the Parramatta Stamp Club open Day. Thanks, Hans. I have been busy promoting our Club by placing programs at the Petersham Stamp Fair and also at the Penrith markets. Hopefully some new memberships result. I have also been at the Penrith Library. They have three show cases the Club could use to display books, stamps, and paraphernalia. However, the cases are booked out for this year.

This month I continue with the listing for South Australian Government Departments. There are not many images in my database for those types of overprints but I am working on it.

I have also come into the possession of pre-stamped envelopes and will scan those to make up a booklet in the near future.

As usual, at this time of the year Australia Post issued a lot of stamps but none relating to the World Cup Soccer Championship in South Africa.

Uwe Krüger
President

Perforated stamps (OS) of South Australia

In addition to the OS and SA perforations and OS overprints used by the government departments overprints using different letters have been noted. As discussed in the last issue Introduction to the perforated stamps of South Australia, individual government departments used their own specific identifying systems.

The following is my first attempt but as I have only few images in my database the listing shown looks rather sparse.
