Philas displays are announced at meetings before the display takes place.

Dear members and collectors,

The contents of this bulletin aims at informing members of pending auctions, stamps issues and other calendar items relevant to our hobby.

As things go, there will be room for errors but I hope I can keep those to a minimum.

The editor

Invitation

Dear guests and readers of this bulletin, You are invited to join our club as stamp collecting has provided many of us with deep insights into past and present cultures of countries we may or may never visit. As a guest you can find the behaviour of exited members a bit overwhelming. Do not be afraid to ask questions. If you do, please do not be overwhelmed with the answer as you usually get more than you asked for. Some of us have been collecting stamps for such a long time that we have forgotten what it feels like to be a beginner.

Join in and enjoy a pastime that need not be expensive. If you have inherited a stamp collection we will provide you with information (free of charge) about the value of that collection. Again, you may get comments you do not like (there is rust in the collection; not worth much but interesting enough to expand; etc.). We are human and we have our little errors. However, if you do not like the information received, by all means, get a second opinion.

Looking back and ahead

The Parramatta Stamp Fair was well attended and, later at home, I realised that I had missed a great opportunity. Such is live. The thing that hurt most was, that I looked at the item and did not realise for what it was. Does this happen often? Is old age creeping up on me? On the bright side, I still had money in my pocket to spend on things I also love.

Good luck and happy stamping

Uwe Krüger
President

Did you know?

Opening a catalogue can be revealing. I sorted stamps from Mauritius and at the end of the listing for Mauritius I came across a country called Mayotte. Wikipedia reveals:

Mayotte (French: Mayotte, pronounced: [majot]; Shimaore: Maore, IPA: [ma'ore]; Malagasy:

Mahori) is an overseas department and region of France. It consists of a main island, Grande-Terre (or Maore), a smaller island, Petite-Terre (or Pamandzi), and several islets around these two. The archipelago is located in the northern Mozambique Channel in the Indian Ocean off the coast of Southeast Africa, between northwestern Madagascar and northeastern Mozambique. Mayotte's area is 374 square kilometres (144 sq mi) and, with its 212,645 people, is very densely populated at 569 per km² (1,473 per sq mi). The biggest city and prefecture is Mamoudzou on Grande-Terre. However, the Dzaoudzi–Pamandzi International Airport is located on the neighbouring Petite-Terre Island. The territory is geographically part of the Comoro Islands, but the people of Mayotte chose to remain politically a part of France in the 1974 referendum. The territory is also known as Maore, the native name of its main island, especially by advocates of its inclusion in the Union of Comoros. In a 2009 referendum, the population overwhelmingly approved accession to status of department (95.2% voted in favour of departmental status). Mayotte became an overseas department on 31 March 2011 and became an outermost region of the European Union on 1 January 2014. And, they have issued stamps!

Please do not tell anyone that there is another gateway to Europe at the bottom of Africa.
