Invitation

Dear guests and readers of this bulletin,
You are invited to join our club as stamp collecting has provided many of us with deep insights into past and present cultures of countries we may or may never visit. As a guest you can find the behaviour of exited members a bit overwhelming. Do not be afraid to ask questions. If you do, please do not be overwhelmed with the answer as you usually get more than you asked for. Some of us have been collecting stamps for such a long time that we have forgotten what it feels like to be a beginner.

Join in and enjoy a pastime that need not be expensive. If you have inherited a stamp collection we will provide you with information (free of charge) about the value of that collection. Again, you may get comments you do not like (there is rust in the collection; not worth much but interesting enough to expand; etc.). We are human and we have our little errors. However, if you do not like the information received, by all means, get a second opinion.

Looking back and ahead

I am back! Being in Germany brought back a few memories and stamp shopping was great. I purchased a few more collections and baggage allocation of 30 kg was reached again (like last flight). Lucky me, my wife goes over there next month and will carry the rest of the collections back to Australia.

During my absence the Sydney Stamp Expo 2015 is now a happy memory for some but not for me as I missed out on some envelopes. Such is the luck of the collector.

Good luck and happy stamping

This bulletin is a double issue (in case you have not noticed).
